Anna Maria has been awarded a \$25,000 grant from the Davis Educational Foundation in support of faculty professional development. With this award, faculty will be able to attend the national Association of

American Colleges & Universities (AAC&U) conference, *Reflection to Reimagination: Making Excellence the "New Normal"*, which will be held virtually. The conference will allow our faculty to learn from colleagues across the country on current higher education challenges and solutions, new teaching approaches and assessment vehicles, and so much more.

Congratulations to **Mike Rapoza '19** for being named as the Head Men's Basketball Coach at his alma mater Shepard's Hill High School in Dudley, MA.
